Bottom line

TransMarket Group is a Chicago trading firm (about 156 people, 550 W Jackson) with no ZoomInfo signals. The **CIO, Stan Bryl (ex-Jump Trading), has held the job since 2009** and has no email on file. **Cezar Jakucewicz, Senior Infrastructure Engineer** (ex-Akuna, HRT, Sun Trading), has a verified email and is in Chicago. Start with Cezar for credibility, and reach Bryl through LinkedIn.

What TransMarket is, in one analogy

A long-tenured CIO is a captain who has sailed these waters for 17 years. Bring the chart to the navigator (Cezar) first; the captain trusts his navigator.
