

ABN AMRO Clearing: a global network architect who lives next to the CME data center

Account entry plan for Spencer Refer | Prepared Thursday, October 1, 2026 | Sources: HubSpot, ZoomInfo, Apollo

175 W Jackson Blvd, Chicago	~954 employees (Chicago entity)	Aurora where its network architect lives	0 replies so far
STAGE Prospect. No deal.	RUNNING NOW CTF ENT - Practitioners (enrollment note Sep 30; no contact linked)	LAST TOUCH Sep 30: enrollment	NEXT STEP Tue Oct 6: LinkedIn connect to Brian Soprych (Global Network Architect)

Bottom line

ABN AMRO Clearing Chicago is the US clearing arm of the Dutch bank (about 954 people, 175 W Jackson). It clears for many of the Chicago trading firms on your list. ZoomInfo shows no signals for the Chicago entity, and Apollo results are mostly Netherlands staff. The find is **Brian Soprych, Global Network Architect, based in Aurora, IL**, the town where CME's data center is. He has no email on file, so start with LinkedIn. **Peter Schaller (IT, Wauconda IL)** is the local backup.

What ABN Clearing is, in one analogy

A clearing firm is the bank vault for the trading floor: clients can't trade if it goes dark. A second, separate road to the vault is insurance its clients would expect.

Signals worth citing

Signal	Source	So what for the opener
No intent, news or scoops for the Chicago entity	ZoomInfo	No trigger.
Brian Soprych, Global Network Architect, Aurora IL	Apollo	Global network owner; local to CME.
Peter Schaller, IT, Wauconda IL	Apollo	Local backup; email extrapolated.

Work already in motion

One enrollment note, with no contact linked.

When	Channel / campaign	What happened	Read
Sep 30	CTF ENT - Practitioners	Enrollment logged on the company	Find who was enrolled; link the contact

Who to reach, in order

Contact	Title (source)	Where	Why they matter	Status / email
Brian Soprych	Global Network Architect (Apollo)	Aurora, IL	Network owner.	Not contacted. LinkedIn only
Peter Schaller	IT (Apollo)	Wauconda, IL	Backup.	Not contacted. peter.schaller@abnamro.com (unverified)

Not worth chasing for this goal

Netherlands bank IT directors and the TMT bankers in Apollo.

How the access path should run

Brian Soprych LinkedIn note	→	Peter Schaller Email backup	→	Route review Jackson, Cermak, Aurora	→	Proposal -

Messages, by contact

1. Brian Soprych Global Network Architect

Why them: Owner; local.

Channel: LinkedIn Tue Oct 6 | Subject: (connection note)

Brian, I run Chicago for Crosstown Fiber: underground routes on-net at 350 E Cermak and Elk Grove, mapped to the conduit. For a clearing firm, provable diversity matters. Happy to share the map.

2. Peter Schaller IT

Why them: Backup; verify the address first.

Channel: Email Tue Oct 13 | Subject: Who owns ABN Clearing's Chicago circuits?

Peter, who at ABN AMRO Clearing Chicago handles carrier circuits? I'd like to send them our Chicago conduit map. Thanks.

The plan

When	Move	Notes
Fri Oct 2	Find who the Sep 30 Practitioners enrollment was and link them.	-
Tue Oct 6	LinkedIn connect to Brian Soprych.	-
Tue Oct 13	Email Peter Schaller (check for a bounce).	-
Week of Oct 26	Goal: route review.	-

What progress looks like (for management)

By	Milestone	How we will know
Oct 20	Accept or reply	Logged
Nov 13	Route review held	Meeting logged

Guardrails

- Peter Schaller's email is a guess and may bounce.
- Credits used: ZoomInfo company and signals for 1 company; 3 Apollo person enrichments.
