

AVANT: Chicago's national technology distributor

Partner activation plan for Spencer Refer | Prepared Thursday, October 1, 2026 | Sources: HubSpot, Lemlist, ZoomInfo

Chicago HQ (since 2009)	91 Data Center intent	2 channel directors in HubSpot	Tier A partner priority
STAGE Partner: recruit.	RUNNING NOW Not in a campaign	LAST TOUCH None logged	NEXT STEP Tue Oct 6: email Jared Golden (Channel Director)

Bottom line

AVANT is a **Chicago-based national distributor** for technology advisors (about 110 people). It showed **Data Center 91 intent**, and sales hiring is at a 6-month high. Like TBI, a supplier relationship with AVANT reaches many advisors at once. **Jared Golden** and **Elise Jamison (Channel Directors)** are in HubSpot. The agency agreement already allows **Sub-Agents** (approved by Crosstown and bound by the same terms), which is how a master-agent relationship can work under today's paper.

What this partner is, in one analogy

AVANT is a big-box retailer for technology advisors. A spot on its shelf beats knocking on every advisor's door.
