

American Samoa DOE: out of territory; disqualify

Account entry plan for Spencer Refer | Prepared Thursday, October 1, 2026 | Sources: HubSpot

Pago Pago location	Sep 28 enrichment check: OUT OF TERRITORY	0 technical contacts	0 touches
STAGE Disqualify (out of territory)	RUNNING NOW None	LAST TOUCH Sep 28: HubSpot enrichment check	NEXT STEP Fri Oct 2: mark Disqualified in HubSpot

Bottom line

The Sep 28 enrichment check in HubSpot already flagged this account: the **American Samoa Department of Education is in Pago Pago**, with no technical contacts, and is **likely a mis-import**. Crosstown's network is in Chicago. Mark it Disqualified so management sees a clean book.

What this account is, in one analogy

It's a letter delivered to the wrong ZIP code. Return to sender.
