Partner activation plan for Spencer Refer | Prepared Thursday, October 1, 2026 | Sources: HubSpot, Lemlist, ZoomInfo

Chicago HQ	~24 employees	4 contacts in HubSpot	Tier B partner priority

Bottom line

Fulton May is a Chicago MSP (about 24 people) acting as the outsourced IT department for businesses with 5-500 employees. MSPs recommend connectivity for clients, so Fulton May is a **referral partner**. Four contacts are in HubSpot, including **Eric Nickel** (Director of Managed Services), **Dave Nazha** (COO) and **Lou Horton** (Network Operations Manager).

What this partner is, in one analogy

An MSP is the family doctor for small companies' IT. When a patient needs a specialist (fiber), the doctor makes the referral.
